Dear Potential Board Sponsor:

Enclosed is the board sponsorship form. Our main advertising board is our groomer. It is put on display at our Steak Feed in August and is taken to two Christmas parades. We also put two smaller versions of the board at our trail starts. The size of the sign on the groomer, is 18" high X 23" long.

The renewal term runs from 6/30 – 7/1. We request that renewals be returned prior to 7/1 to remain current on your membership.

The sponsorship costs for the first year are \$300 for both sides of the board and \$200 for one side. After that, the renewal is \$150 for both sides of the board and \$100 for one side.

Please fill out the enclosed form in its entirety to ensure that there are no delays on the processing of your membership. When you return your form, please include the art work that you would like to be displayed on the boards.

Included with the board sponsorship, you are enrolled in the AWSC as a Commercial Membership. This will allow you to:

- Purchase your Trail Pass at the discounted rate of \$10 per snowmobile.
- Be listed in the Wisconsin Snowmobile News (WSN) magazine in October, December and February
- Highlighted on the AWSC website for the length of your membership

If you have questions about the AWSC, please feel free to contact them at 1-800-232-4108, 608-846-5530 or email to sueh@awsc.org.

We thank you for considering this as a place to advertise. We think it is a great place for your business to be showcased as we groom our trails.

Please feel free to contact me with any questions at 715-340-2681.

Sincerely,

Arlene Pukrop
